Statement of intent

Corpus Christi believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. The school is committed to:

- Promoting desired behaviour.
- Promoting self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Praising and rewarding good behaviour.
- Challenging and disciplining misbehaviour.
- Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.
- Encouraging positive relationships with parents.
- Developing positive relationships with pupils to enable early intervention.
- A shared approach which involves pupils in the implementation of the school's policy and associated procedures.
- Promoting a culture of praise and encouragement in which all pupils can achieve.

The school acknowledges that behaviour can sometimes be the result of educational needs, mental health issues, or other needs or vulnerabilities, and will address these needs via an individualised graduated response.

To help reduce the likelihood of behavioural issues related to social, emotional or mental health (SEMH), the school aims to create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The school aims to promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** – the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing
-

Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The school's Social, Emotional and Mental Health (SEMH) Policy outlines the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

3. Definitions

For the purposes of this policy, the school defines “serious unacceptable behaviour” as any behaviour which may cause harm to oneself or others, damage the reputation of the school within the wider community, and/or any illegal behaviour. This includes, but is not limited to, the following:

- **Discrimination** – not giving equal respect to an individual on the basis of age, disability, gender identity, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation
- **Harassment** – behaviour towards others which is unwanted, offensive and affects the dignity of the individual or group of individuals
- **Vexatious behaviour** – deliberately acting in a manner so as to cause annoyance or irritation

- **Bullying** – a type of harassment which involves personal abuse or persistent actions which humiliate, intimidate, frighten or demean the individual being bullied
- **Cyberbullying** – the use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature
- Possession of legal or illegal drugs, alcohol or tobacco
- Possession of banned items
- Truancy and running away from school
- Refusing to comply with disciplinary sanctions
- Theft
- Verbal abuse, including swearing, racist remarks and threatening language
- Fighting and aggression
- Persistent disobedience or destructive behaviour
- Extreme behaviour, such as violence and serious vandalism
- Any behaviour that threatens safety or presents a serious danger
- Any behaviour that seriously inhibits the learning of pupils
- Any behaviour that requires the immediate attention of a staff member

For the purposes of this policy, the school defines “low-level unacceptable behaviour” as any behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to, the following:

- Lateness
- Low-level disruption and talking in class
- Failure to complete classwork
- Rudeness
- Lack of correct equipment
- Refusing to complete homework, incomplete homework, or arriving at school without homework
- Disruption on public transport
- Use of mobile phones without permission
- Graffiti

“Low-level unacceptable behaviour” may be escalated to “serious unacceptable behaviour”, depending on the severity of the behaviour.

4. Effective classroom management

Well-managed classrooms are paramount to providing positive reinforcement and rewards to help ensure children make good choices and keep high expectations. The school understands that effective classroom management allows staff to:

- Start the year with clear sets of rules and routines that are understood by all pupils.
- Establish agreed rewards and positive reinforcements, using these as a driving force behind classroom and behaviour management.
- Encourage respect and development of positive relationships.
- Make effective use of the physical space available.
- Have well-planned lessons with a range of activities to keep pupils stimulated.

- Establish sanctions for misbehaviour when necessary.
- Establish clear responses for handling behavioural problems.

Subject to reasonable adjustments, e.g. those made for pupils whose SEND may affect their behaviour, pupils will be expected to follow the school Pupil Code of Conduct, which requires pupils to:

- Follow the school mission statement in all areas of the school, using Together we **DREAM (Discover, Respect, Enthusiasm, Aspire, Make a Difference)** to help them to make good choices.
- Conduct themselves around the school premises in a safe, sensible and respectful manner.
- Be positive role models to all other children in school.
- Offer friendly words and, when appropriate, compliments to all of their peers.
- Arrive to school on time and fully prepared.
- Follow reasonable instructions given by staff.
- Behave in a reasonable and polite manner towards all staff and pupils.
- Show respect for the opinions and beliefs of others.
- Complete classwork as requested.
- Hand in homework at the time requested.
- Show respect for the school environment.
- Report unacceptable behaviour.

Classroom rules and routines

The school has an established set of clear, comprehensive classroom rules which define what is acceptable behaviour, provide positive reinforcement and rewards, with possible consequences if rules are not adhered to. Attention is given to how rules are worded, such as the use of positive language rather than negative, e.g. “act respectfully towards your peers and teachers”, rather than “do not act disrespectfully towards your peers and teachers”.

The school also has an established set of classroom routines to help pupils work well, to ensure a consistent routine allows the children to focus and follow the school’s mission. This includes teachers ensuring that before lessons begin, they have the full attention of all pupils, then explaining the task clearly so all pupils understand what they are supposed to be doing.

The headteacher ensures all teachers understand classroom rules and routines and how to enforce them, including any rewards available and possible sanctions for not following the rules, if necessary.

Teachers support pupils to understand and follow classroom rules and routines. Teachers inform pupils of classroom rules and routines at the beginning of the academic year and revisit these daily. Where appropriate, teachers explain the rationale behind the rules and routines to help pupils understand why they are needed, and will model rules and routines to ensure pupils understand them. Teachers will explain the rewards gifted for good and

exemplary behaviour and the key values of the school's mission statement. Teachers also explain clearly to pupils what will happen if they breach any classroom rules to ensure pupils are aware of the sanctions that may be imposed.

To support pupils' continued awareness and understanding of classroom rules and routines, teachers reinforce them in a range of ways, e.g. placing posters of the rules on classroom walls and providing regular verbal reminders of the routines. Teachers also ensure that classroom rules and routines remain consistent and are practised throughout the year to create a more productive and enjoyable environment and reward system.

The classroom environment

The school understands that a well-structured classroom environment is paramount to encouraging good choices and behaviour. This includes the teacher positioning themselves effectively within the classroom, e.g. wherever possible, teachers avoid standing with their backs to pupils and ensure they have full view of the room at all times.

Teachers employ strategic seating arrangements to prevent poor behaviour and enable it to be noticed early, such as:

- Ensuring the teacher can see pupils' faces, that pupils can see one another, and that they can see the board.
- Ensuring the teacher can move around the room so that behaviour can be monitored effectively.
- Considering the seating arrangement of children, to best offer support and positive reinforcement.

Praise and rewards

The school recognises that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. When giving praise, teachers ensure:

- They define the behaviour that is being rewarded.
- The praise is given immediately following the desired behaviour.
- The way in which the praise is given is varied.
- Praise is related to effort, rather than only to work produced.
- Perseverance and independence are encouraged.
- Praise is only given when a pupil's efforts, work or behaviour need to be recognised, rather than continuously without reason.
- The praise given is always sincere and is not followed with immediate criticism.

We base our reward system, as with all things, on our Mission Statement, Together we **DREAM**, Together we Learn. The aspects of our mission statement are rewarded to the children, when they **discover** something, show **respect**, be **enthusiastic**, **aspire** to higher things or **make a difference**.

Each child is assigned to a House group when they begin with us. The five houses are named after our five mission statement values: **Discover**, **Respect**, **Enthusiasm**, **Aspire** and **Make a difference**.

Children who are seen to be displaying expected behaviour or being models of our Mission Statement receive house points. These house points are collated in each class and any children who receive 10 house points are awarded a **DREAM** ticket. This ticket is added to their house jar. In our **DREAM** assembly each week, all of that week's tickets are added to the jar and one from the half term is drawn out to win a prize from the **DREAM** box. At the end of the half term, the house with the most **DREAM** tickets win a house treat.

Children also receive awards in the weekly **DREAM** assembly. The awards on offer, mirror the value of our Mission Statement: The **Discover** Award, **Respect** Award, **Enthusiasm** Award, **Aspire** Award and **Make a difference** Award.

DISCOVER: The **Discover** Award is given to a member of the class who has discovered or learnt something that week, either in their work or about themselves or peers.

RESPECT: The **Respect** Award is given to members of our school family who have been respectful of their peers, the staff or the school environment.

ENTHUSIASM: The **Enthusiasm** Award is granted to those who have given their best to an aspect (or multiple aspects) of their school life.

ASPIRE: The **Aspire** Award is awarded to the children who have set (and often met) targets for themselves, or who look to be a better member of our school community, either personally or in their work.

MAKE A DIFFERENCE: The **Make A Difference** Award is granted to those in our school community who have had an impact on others, both at school or in the wider community.

Whilst it is important to receive praise from teachers, the school understands that peer praise is also effective for creating a positive, fun and supportive environment. Teachers encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

As with praise, the school understands that providing rewards after certain behaviour means that pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.
- **Fair** – making sure all pupils are fairly rewarded.
-

The school has a number of options for rewards that can be given to pupils. These include social rewards, e.g. positive contact with parents, physical rewards, e.g. certificates, and activity-based rewards, e.g. additional play time.

5. Managing behaviour

Positive reinforcement, rewards and use of praise are the cornerstone of our school behaviour management. However, on occasions where behaviour is non acceptable, and consequences must be put in place, the following will apply.

Instances of unacceptable behaviour are taken seriously and dealt with immediately.

The class teacher is responsible for recording behaviours on CPOMs pastoral to help identify pupils whose behaviour may indicate potential mental health problems.

After an initial incident of negative behaviour, the following sanctions are implemented:

5.1. **Level 1**

- a) Each class teacher will follow the school Code of Conduct which is displayed on all classroom walls.
- b) The adult will reprimand the child and remind them of the school rules and be moved up the class behaviour chart.
- c) The child may lose some break time or lunch time and sit on a bench outside on the playground. *(If it is raining then this will be in the hall for KS1 and the ICT area for KS2)* This will be recorded on CPOMs
- d) The child may lose reward time, but neither house points nor DREAM tickets, once rewarded, will be removed.

5.2. **Level 2**

- a) The child may lose break time or lunch time and sit outside the staffroom on the step or within a classroom with a member of staff. This will be recorded on CPMOs and parents will be contacted via blue book or call home.
- b) Persistent offenders or an act of unacceptable serious behaviour will be sent to Deputy Head Teacher and parents contacted to discuss the incident.
- c) Serious offenders and serious behaviours logged, child isolated from own class and parents contacted to discuss the incident and behaviour will be monitored over a set period of time. Regular meetings / updates with parents and the Headteacher.

5.3. **Level 3**

- a) Parents are involved, a written strategy or targets for improvement devised and agreed IBP. Regular reviews with parents and Headteacher.
- b) Referral to BEST involvement (LA) with reviews with parents and Headteacher.
- c) Initiate a PSP (Pastoral Support Programme) with reviews with parents, Headteacher and outside agencies.

5.4. **Level 4**

Inclusion off site to different school or base for anything up to 5 days, accompanied by a member of staff.

5.5. **Level 5**

Exclusion off site to home for a set period of time, anything up to 5 days.

5.6. **Level 6**

Permanent Exclusion.

- The headteacher will consider whether the pupil should be excluded for a fixed term, in line with the school's Exclusion Policy, and will determine the length of the exclusion.
- Although unacceptable behaviour does not necessarily mean a pupil has SEND, an assessment will be carried out at this stage to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour.
- Where a pupil is identified as having SEMH-related difficulties, SEND support will be put in place from the school's national SEND budget.
- Where SEND is not identified, but the headteacher determines that support is still required for the pupil, an Individual Behaviour Plan will be created to outline the necessary provisions in place.
- For discipline to be lawful, the school will ensure that:
 - The decision to discipline a pupil is made by a paid member of school staff, or a member of staff authorised to do so by the headteacher.
 - The decision to discipline a pupil is made on the school premises or whilst the pupil is under the charge of a member of staff, such as during an educational trip or visit.
 - The decision to discipline a pupil is reasonable and will not discriminate on any grounds, as per the Equality Act 2010.
-

The school will ensure that all discipline is reasonable in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs, any SEND, and any other relevant information.

6. Prevention strategies and sanctions for unacceptable behaviour

This section outlines the school's strategies for preventing unacceptable behaviour, minimising the severity of incidents, and using sanctions effectively and appropriately to improve pupils' behaviour in the future.

Positive teacher-pupil relationships

Positive teacher-pupil relationships are key to combatting unacceptable behaviour. The school focusses heavily on forming these relationships to allow teachers to understand their pupils and create a strong foundation from which behavioural change can take place.

De-escalation strategies

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation. This includes:

- Appearing calm and using a modulated, low tone of voice

- Using simple, direct language.
- Avoiding being defensive, e.g. if comments or insults are directed at the staff member.
- Providing adequate personal space and not blocking a pupil's escape route.
- Showing open, accepting body language, e.g. not standing with their arms crossed.
- Reassuring the pupil and creating an outcome goal.
- Identifying any points of agreement to build a rapport.
- Offering the pupil a face-saving route out of confrontation, e.g. that if they stop the behaviour, then the consequences will be lessened.
- Rephrasing requests made up of negative words with positive phrases, e.g. "if you don't return to your seat, I won't help you with your work" becomes "if you return to your seat, I can help you with your work".

Physical intervention

In line with the school's Physical Intervention Policy, trained members of staff have the legal right to use reasonable force to prevent pupils from committing an offence, injuring themselves or others, or damaging school property, and to maintain good order and discipline in the classroom.

Physical restraint will only be used as a last resort and as a method of restraint. Staff members will use their professional judgement of the incident to decide whether physical intervention is necessary. The situations in which physical restraint may be appropriate are detailed in the Physical Intervention Policy.

Wherever possible, staff will ensure that a second member of staff is present to witness the physical intervention used. After an instance of physical intervention, the pupil will be immediately taken to the headteacher, and the pupil's parent will be contacted. Where appropriate, the headteacher may decide to temporarily remove the pupil from the school via a suspension, in line with the DfE's guidance on 'Suspension and Permanent Exclusion'. Where suspension is carried out, the pupil's parent will be asked to collect the pupil and take them home for the rest of the day – pupils will not be sent home without the school contacting their parent.

Any violent or threatening behaviour will not be tolerated by the school and may result in a fixed-term exclusion in the first instance. It is at the discretion of the headteacher as to what behaviour constitutes for an exclusion.

When using reasonable force in response to risks presented by incidents involving pupils with SEND or medical conditions, the school will recognise and consider the vulnerability of these groups.

Removal from the classroom

The school may decide to remove pupils from the classroom for a limited period, at the instruction of a member of staff.

The pupil will be moved to a room that is:

- In an appropriate area of the school
- Stocked with appropriate resources
- Suitable to learn and refocus

- Supervised by trained members of staff

The school will only remove pupils from the classroom where absolutely necessary and for the following reasons:

- To maintain the safety of all pupils and restore stability following an unreasonably high level of disruption
- To enable disruptive pupils to be taken to a place where education can continue in a managed environment
- To allow the pupil to regain calm in a safe space

The school will ensure that pupils' health and safety is not compromised during their time away from the classroom, and that any additional requirements, such as SEND needs, are met.

The amount of time that a pupil spends removed from the classroom will be up to the school to decide. This could be for more than one school day. The school will ensure that the pupil is not removed from the classroom any longer than necessary.

The staff member in charge and supervising the pupil will decide what the pupil may and may not do during their time spent removed from the classroom. The headteacher will request that the pupil's class teachers set them appropriate work to complete.

The headteacher will establish a clear process for the reintegration of a pupil who has been removed from the classroom when it is deemed appropriate and safe for them to return. Consideration will be given to what support is needed to help the pupil return and meet the expected standards of behaviour. Reintegration meetings will be held between the school, pupil and their parents, and other agencies if relevant, where necessary.

Pupils will be permitted to eat during the allocated times of the school day and may use the toilet as required.

7. Sexual abuse and discrimination

The school prohibits all forms of sexual abuse and discrimination, including sexual harassment, gender-based bullying and sexual violence. The school's procedures for handling peer-on-peer sexual abuse and discrimination are detailed in the Peer-on-Peer Abuse Policy.

The school will respond promptly and appropriately to any sexual harassment complaints in line with the Child Protection and Safeguarding Policy; appropriate steps will be taken to stop the harassment and prevent any reoccurrence. Discipline for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents.

8. Smoking and controlled substances

The school will follow the procedures outlined in its Smoke-Free Policy and Pupil Drug and Alcohol Policy when managing behaviour in regard to smoking and nicotine products, legal and illegal drugs, and alcohol.

In accordance with part 1 of the Health Act 2006, this school is a smoke-free environment. Parents, visitors, staff and pupils are instructed not to smoke on school grounds. Pupils are not permitted to bring smoking materials or nicotine products to school.

The school has a zero-tolerance policy on illegal drugs, legal highs and other controlled substances. Where incidents with pupils related to controlled substances occur, the school will follow the procedures outlined in the Pupil Drug and Alcohol Policy and Child Protection and Safeguarding Policy.

9. Prohibited items, searching pupils and confiscation

Headteachers and staff authorised by them have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. The prohibited items are:

- Knives or weapons.
- Alcohol.
- Illegal drugs.
- Stolen items.
- Tobacco and cigarette papers.
- Fireworks.
- Pornographic images.
- Any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - To commit an offence; or
 - To cause personal injury to any person, including the pupil themselves; or
 - To damage the property of any person, including the pupil themselves.
 -

All members of staff can use their power to search without consent for any of the items listed above. Staff will follow the provisions outlined in the school's Searching, Screening and Confiscation Policy when conducting searches and confiscating items.

The headteacher and other authorised members of staff are permitted to use reasonable force when conducting a search without consent for certain prohibited items, in line with the school's Physical Intervention Policy.

10. Behaviour off school premises

Pupils at the school must agree to represent the school in a positive manner. The guidance laid out in the Pupil Code of Conduct applies both inside school and out in the wider community, particularly if the pupil is dressed in school uniform.

Staff can discipline pupils for misbehaviour outside of the school premises when the pupil is:

- Wearing school uniform.
- Travelling to or from school.
- Taking part in any school-related activity.
- In any way identifiable as being a pupil at the school.

Staff may also discipline pupils for misbehaviour off the school premises that, irrespective of the above:

- Could negatively affect the reputation of the school.
- Could pose a threat to another pupil, a member of staff at the school, or a member of the public.
- Could disrupt the orderly running of the school.

Any bullying witnessed outside of the school premises and reported to a member of staff, will be dealt with in accordance with the school's Anti-bullying Policy.

The school will impose the same sanctions for bullying incidents and non-criminal misbehaviour witnessed outside of the school premises as would be imposed for the same behaviour conducted on school premises. In all cases of unacceptable behaviour outside of the school premises, staff will only impose sanctions once the pupil has returned to the school premises or when under the supervision of a member of staff.

Complaints from members of the public about the behaviour of pupils from the school are taken very seriously and will be dealt with in accordance with the Complaints Procedures Policy.

11. Monitoring and review

This policy will be reviewed by the headteacher and mental health lead on an annual basis; they will make any necessary changes and communicate these to all members of staff.

This policy will be made available for Ofsted inspections and reviews by the lead inspector, upon request.

The next scheduled review date for this policy is March 2023.
