Halloween Craft Day

On Friday 25th October, we will be having a Halloween Day in school. On this day, your children can come to school in their Halloween costumes, if they wish to, and the day will be filled with themed activities and crafts.

Please remember, our children range from ages 3-11, so consider our youngest children when choosing a costume to wear to school.

Our end of half term assembly will also be taking place that day, at 2:45pm (**please note the change of time**), with each class presenting something they are proud of achieving in the first half term, but it will look a little spookier than usual!

This day is on top of our PSFA Halloween Disco, held the evening before, Thursday 24th October.

World Mental Health Day – Young Minds
Thursday, 10ᵗʰ October 2024

Every year, thousands of schools, companies and communities come together to make World Mental Health Day that little bit brighter by wearing something yellow and donating to YoungMinds. Right now, the world is a really tough place for children and young people to grow up in. We want young people to know that they don't have to go through this alone. Things can get better. This World Mental Health Day, Corpus Christi Catholic Primary School will wear yellow with thousands of others across the UK and raise money to show young people that they're not alone with their mental health.

For a £1 donation, children can come into school wearing something yellow. This isn't an own clothes day, simply substitute a cardigan, jumper, or polo shirt for something yellow Children could also wear yellow socks, tights, hats, and hairbands. Payment should be made on the Schoolmoney App. All donations will then be forwarded onto the charity.
