Absence Reporting

Parents are reminded that all absences must be reported prior to 9am. This can be done using the Schoolspider App or by leaving a message on the school answer machine. If you do leave a message on the answer machine, leave as much information as possible.

Breakfast with Santa

Parents of our Nursery, Reception, Y1 and Y2 children are invited to join on 16th December. Details below.

Christmas Party Information

Christmas Plays

Next week our Christmas plays are taking place. Entry to school will be from the Old Lane entrance. The access gate from the Victoria Care Home car park will not be open. Please pass this information onto any friends and family who will be attending. This applies to both the 2pm and 5pm performances.

Please be respectful to our neighbours on Old Lane if you are parking there. Do not double park or block driveways. There must be room for emergency vehicles and local buses to move freely down Old Lane.

PSFA Information

With Christmas fast approaching, we have lots of exciting events coming up this half term! We are looking to fundraise for new playground equipment and resurfacing so please help us in any way you can.

Wednesday 4th December - Bottles for the bottle tombola - unopened please!

Once again, we appreciate all the support for these events as we continue to fundraise for our playground. These events are run by our wonderful staff in school and we appreciate any offer of help. Volunteers to help at the Christmas Fayre are also very welcome, whether it be running errands in the weeks before, running a stall, setting up during the day, or tidying up at the end of the event.

Thank you and Merry Christmas!

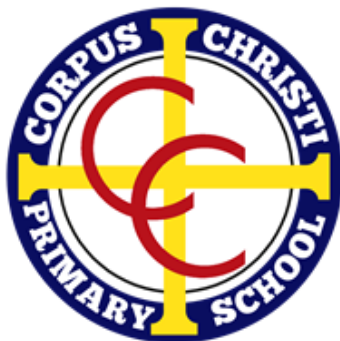

Hedgehog Homes

Local homebuilder Miller Homes has donated five large hedgehog homes to Corpus Christi, supporting the school's efforts to enhance local wildlife conservation. The donation comes just as hibernation season begins, providing safe and warm shelters for hedgehogs in the area.

The hedgehog homes have been placed around the school grounds, offering vital refuge for hedgehogs during the colder months and creating an opportunity for Year 3 pupils to observe and monitor their activity. This hands-on experience will form part of the children's studies on nature and animals, encouraging a deeper understanding of local wildlife and its preservation.

The school calendar for 2025/2026 can be found below. These dates can also be found on the school website.
